2009 Spanish Q&A Brochures Now Available

PRINT THIS MESSAGE AND PROVIDE TO STATION OWNER OR MANAGER.

The 2009 Question & Answer (Q&A) brochure is now available in Spanish. If your station needs assistance with communicating the emission testing process to Hispanic motorists, station owners/managers can order the brochures by calling GCAF Station Assistance at 800.449.2471, option #2.

GCAF will not automatically send stations the Spanish brochures. Stations may order one pack at a time (50 brochures per pack). There is a limited quantity of these brochures. They will be distributed on a first come, first served basis.

Please confirm your station's mailing address when placing your order. Allow approximately one week to receive your order.

You may download and print copies of the Spanish Q&A brochure by visiting www.CleanAirForce.com and clicking on "Forms and Program Info" under the motorist microsite.

For more information, call GCAF Station Assistance or e-mail info@cleanairforce.com.

If you would like to receive an e-mail copy of GAS messages or to be added to our quarterly e-newsletter, *RepairWatch* E-News, please send a request to info@cleanairforce.com.

~ GCAF recommends printing all GAS messages for your files and posting them in a prominent location for your employees to read. To retrieve or print a previous GAS message, go to the GAS message retrieval function in your analyzer and select the appropriate message to print (the analyzer holds up to 500 messages). ~
