2008 Spanish Q&A Brochures Now Available

PRINT THIS MESSAGE AND PROVIDE TO STATION OWNER OR MANAGER.

The 2008 Question & Answer (Q&A) brochure is now available in Spanish. If your station needs assistance with communicating the emission testing process to Hispanic motorists, station owners/managers may call GCAF Station Assistance at 800.449.2471, select option #2, to order the Spanish Q&A brochures.

GCAF will not automatically send stations the Spanish brochures. Please confirm your station's mailing address with the call center representative when placing your order.

There is a limited quantity of these brochures. They will be distributed on a first come, first served basis.

Stations may order one pack at a time (50 brochures per pack). It will take approximately one week to receive your order.

You may also download and print copies by visiting www.CleanAirForce.com and clicking on "Forms and Program Info" section under the motorist microsite.

For more information, call GCAF Station Assistance or e-mail info@cleanairforce.com.

~ GCAF recommends printing all GAS messages for your files and posting for your employees to read. To retrieve or print a previous GAS message, go to the GAS message retrieval function in your analyzer and select the appropriate message to print (the analyzer holds up to 100 messages). ~
