Georgia's Clean Air Force (GCAF) now offers an e-mail newsletter, *RepairWatch* E-News, to highlight *RepairWatch*'s quarterly listing of repair facilities and provide helpful repair tips to the public. The newsletter will also promote repair technicians who successfully complete GCAF's new online repair technician training, available at www.CleanAirForce.com.

If you would like to receive *RepairWatch* E-News and other updates from GCAF directly to your inbox, sign up today.

To sign up:

1. Visit www.CleanAirForce.com.
2. Select the stations microsite.
3. Click "Contact Us."

Select "[Click here](#) to sign-up for our email list" and complete the requested information.

If you have any questions, please call GCAF Station Assistance at 800.449.2471, option 2, or submit an e-mail to info@cleanairforce.com.

~ GCAF recommends printing all GAS messages for your files and posting for your employees to read. To retrieve or print a previous GAS message, go to the GAS message retrieval function in your analyzer and select the appropriate message to print (the analyzer holds up to 100 messages). ~
