

Georgia Analyzer System Message

Georgia's Clean Air Force (GCAF)

November 19, 2007

Message: 37462 Analyzers: 1078

2008 Q&A Brochures Available – Remove 2007 Brochures

ALL STATIONS MUST DISCARD THE 2007 Q&A BROCHURES AND REPLACE WITH THE 2008 Q&A BROCHURES. All 2007 Q&A brochures must be removed due to the old service center locations being listed on them; the 2008 Q&A brochures include the new service center locations.

800.449.2471

info@cleanairforce.com

CleanAirForce.com

Stations may call GCAF Station Assistance at 800.449.2471, option #2, to order.

The 2008 Q&A brochure is posted at www.CleanAirForce.com. It is acceptable to print copies of the brochure from the GCAF website until your station receives its order.

GCAF will not automatically send stations the new brochures. Each station will need to order a supply by phone. GCAF requires confirming your station's mailing address with the Call Center representative when placing your order.

Stations can order up to five packs of brochures (250) at a time. Please only order the amount you will use, as more can be ordered throughout the year as needed. It will take approximately one week to receive your order.

For more information, call GCAF Station Assistance or e-mail Becky Robinson at info@cleanairforce.com.

~ GCAF recommends printing all GAS messages for your files and posting for your employees to read. To retrieve or print a previous GAS message, go to the GAS message retrieval function in your analyzer and select the appropriate message to print (the analyzer holds up to 100 messages). ~
