

Your Resource

for Georgia's Vehicle Emissions Inspection & Maintenance (I/M) Program.

Online Repair Technician Training

Completion Notification Form

Instructions: Please complete the below information and e-mail, along with a copy of your training completion certificate, to info@cleanairforce.com.

Upon receipt of this form and completion certificate, GCAF will add you to the GCAF Recognized Repair Technician list that is posted on the GCAF website, www.cleanairforce.com, and e-mail a completion certificate to you at the e-mail address provided below.

In addition to being promoted on the GCAF website, GCAF Recognized Repair Technicians will be promoted in the RepairWatch Public Report, which is available on the GCAF website and at every emissions inspection station, and in GCAF's quarterly e-newsletter, "RepairWatch E-news."
