

Subject: Stations Required to Display New Motorists' Rights Posters

Georgia's Clean Air Force has updated the Motorists' Rights posters and all stations must pickup and post the new poster by April 2, 2016.

The posters include updated language and a new design. Please discard your current poster once you have a new one.

GCAF will not mail posters. Stations must pick up a poster at one of the below locations and post in the motorist waiting area by April 2, 2016.

10:00 a.m. – 6:00 p.m.

*These locations also offer pick-up of the 2016 English and Spanish Q&A brochures.

Reminder on poster requirements:

- A GCAF Motorists' Rights poster must be posted in view for the public at all times.
- All current stations will be supplied one station per location free of charge.
- Additional posters cost \$10 and can be purchased at the GCAF Central or GCAF North office by money order (made payable to "Applus").

Directions to GCAF North and GCAF Central can be found at <http://cleanairforce.com/stations/forms-program-information/>, under "Locations and Directions." The addresses for the DeKalb, Fayette and Gwinnett locations can be found at <http://www.cleanairforce.com/motorists/service-centers/>.

If you have any questions, contact GCAF Station Assistance at 1.800.449.2471, option #2, via email at industry@cleanairforce.com, or via live chat, which is available at www.cleanairforce.com.

Connect with Georgia's Clean Air Force on Facebook by visiting <https://www.facebook.com/GeorgiasCleanAirForce>, follow us on Twitter at <https://twitter.com/GACleanAirForce>, or subscribe to our YouTube channel at www.cleanairforce.com/youtube.

If you would like to receive an email copy of GAS messages or to be added to our quarterly e-newsletter, *RepairWatch* E-News, please send a request to info@cleanairforce.com.

~ GCAF and EPD require that you print, read, and store all GAS messages in a binder on or near the analyzer. GCAF and EPD also recommend that you print a second copy of these messages and post them in a prominent location for your employees to read. To retrieve and print a previous GAS message, go to the GAS message retrieval function in your analyzer and select the appropriate message to print (the analyzer holds up to 500 messages). ~
