

# Repair Waiver

for Georgia's Vehicle Emissions Inspection & Maintenance (I/M) Program.

## Repair Waiver Application

Vehicle Identification Number (VIN) \_\_\_\_\_

By entering my name in the field below, I signify that I understand and acknowledge that the approval of this repair waiver application will depend upon the above-mentioned vehicle passing a waiver inspection, to confirm that the repairs reflected on the invoices submitted along with my application have, in fact, been made on such vehicle.

The waiver inspection may include, but is not limited to: opening vehicle doors and hood, inserting key in locks and starting the vehicle, removing beauty covers, inspecting air filters, jacking up the vehicle, test driving the vehicle, accessing the vehicle's on-board computer, activating outputs, performing dynamometer testing, and any other tasks necessary to confirm that the required repairs have been performed on the vehicle.

I agree to allow Applus Technologies, Inc. to perform a waiver inspection on my vehicle and hereby release, acquit, and forever discharge Applus Technologies, Inc., its officers, directors, employees, agents, representatives, affiliates, successors and assigns, and the state of Georgia, its officers, directors, employees, agents, and representatives, from and against any and all actions, suits, claims, demands, liabilities, damages, losses, and costs and expenses, including but not limited to, attorney and other professional fees, which you now have or which may hereafter accrue on account of or in any way arising directly or indirectly from such waiver inspection.
