Five Surprising

2018 Back-to-School Statistics for Atlanta Metro Commuters

Atlanta is one of the top 12 cities with the longest commutes in the country, according to a study by Robert Half. As the 2018 back-to-school period begins – and parents hit the roads – it is important to understand how even the smallest changes can make a big impact on your commute, and save you time and money.

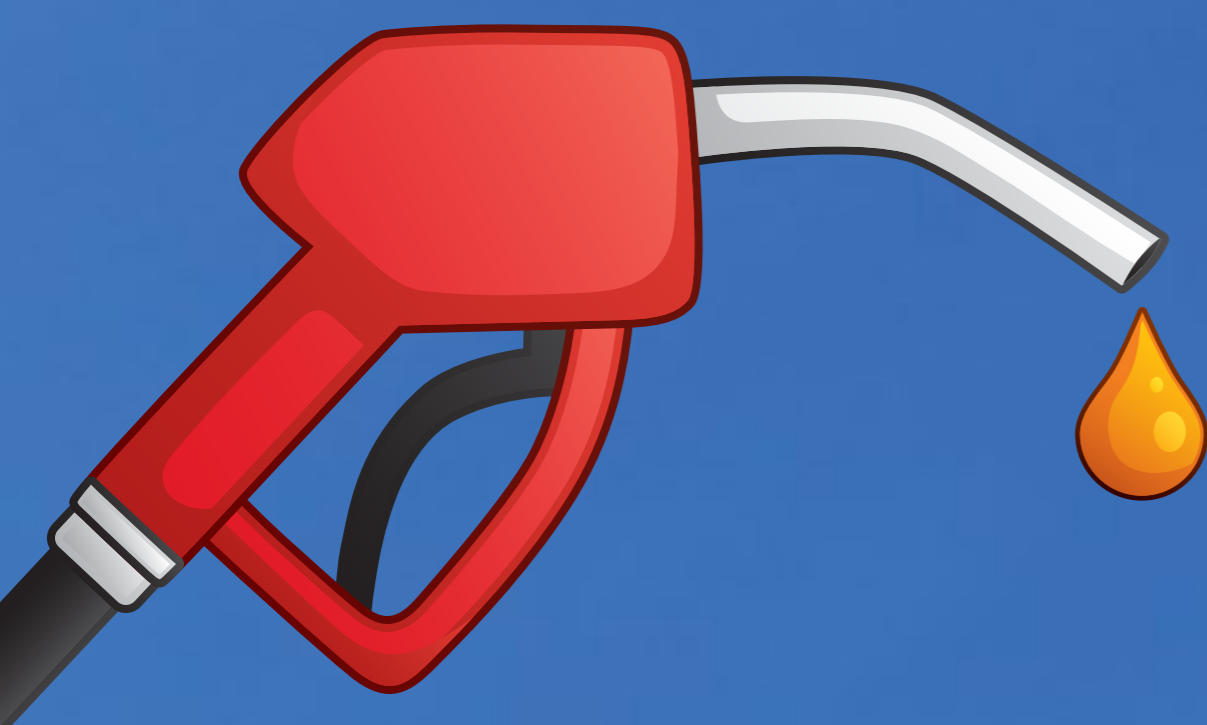

101,796

Number of Georgia
“Super Commuters” with
90+ minute commutes

49.90

Average commute time
for Atlanta residents

10-25%

Reduction in fuel
economy for driving with
a cargo rack on a vehicle
at highway speeds

up to

1/2 Gallon

Amount of gas wasted
per hour of idling

1-2%

Percentage improvement
in miles per gallon (MPG)
for every 100 extra pounds
removed from your vehicle
