

# Your Resource

for Georgia's Vehicle Emissions Inspection & Maintenance (I/M) Program

## Calling All Motorists!

**We'd like to hear from you.**

Visit [www.cleanairforce.com](http://www.cleanairforce.com) and complete our brief online survey about your emissions testing experience. It will only take a few minutes, yet provides us valuable feedback to improve our program for you.

The screenshot shows the website's navigation bar with links for LIVE, TAKE OUR SURVEY (circled in orange with an arrow), and ONLINE PRESS ROOM. Below the navigation is the 'YOUR RESOURCE' header for Georgia's Vehicle Emissions Inspection & Maintenance (I/M) Program. A central banner features a laptop displaying the survey and the text 'We'd like to hear from you.' with a 'TAKE THE SURVEY' button. Below the banner are two service tiles: 'View Your Most Recent Test Results' and 'Frequently Asked Questions', both with 'go now' buttons. At the bottom, there are three category tiles: 'motorists', 'stations & inspectors', and 'repair industry', each with a list of detailed information topics and a 'FIND INFORMATION' button.
